“This month, we celebrate Asian American and Pacific Islander Heritage Month, and we recognize the achievements and contributions of Asian Americans and Pacific Islanders that enrich our Nation.... I encourage all Americans to learn more about our Asian American, Native Hawaiian, and Pacific Islander heritage, and to observe this month with appropriate programs and activities.” said President Donald J. Trump in a proclamation he shared with the rest of the country earlier this month.¹

Mr. Cliff Zhonggang Li, the Executive Director of Asian.GOP, and the Board member of APICC also shared his vision for this celebration: “This will be a great opportunity, not only to celebrate the great heritage and culture of Asians and Pacific Islanders, but also to promote conservative values into our communities; and hopefully, inspire the emergence of more Asian conservative leaders in the political sphere.”
