Guidelines for the Press

The Trump-Pence Asian Pacific American Advisory Committee is proud to host a Presidential Inaugural Gala on January 19, 2017. We welcome media coverage of our historic celebration!

1. All press should register on the website and be approved by the Subcommittee, before being admitted to the Gala. Press badges are available to journalists and writers with approved credentials. Any reporter, writer, producer or editor with credentials from a print, online, or broadcast news organization, including freelance journalists, will have use of the facilities in the designated Press areas. Please present your credentials and your ID, upon entry on the 19th. You will receive a special press identifying bracelet.
2. Each media organization will be allowed 2 press registrations without charge. We will allow 2 individuals (1 reporter, 1 cameraman), from any newspaper, magazine, or newsletter, or television network. Any additional passes should be purchased as a general admission ticket fee. This fee will allow access to the Grand Ballroom, and include the evening's dining and entertainment.
3. Designated areas outside the Grand Ballroom will be provided for the media. There will be ushers and Subcommittee members that will facilitate interviews and meetings. Media will not have access to the VIP room.
4. Your press pass will allow photography, audio or video recording of our event.
5. The types of media eligible for credentials include: newspapers, magazines, television, radio, and the websites affiliated with such outlets. Credentials for website-only outlets reporting for news and editorial purposes shall be granted at the discretion of the Subcommittee for Communication and Media.
6. We ask that all media respect our event and their colleagues by maintaining a quiet and professional atmosphere in the designated media areas.
7. Interviews will be conducted exclusively in designated media areas. Please let us know if you have made special arrangements for interviews with the presenters. Interview requests may be sent to the Chair of the Subcommittee for advance coordination. Please gain approval from a speaker or presenter prior to quoting or publishing.
8. Photographers will shoot from an assigned location in the balcony. All photographs taken at the event are to be used solely for editorial purposes by the publication and website for which an individual is credentialed. Photography is for editorial use only and should not be published otherwise.
