RNC Celebrates Hispanic Heritage Month

WASHINGTON – Republican National Committee (RNC) Chairwoman Ronna McDaniel and Co-Chair Bob Paduchik released the following statement commemorating Hispanic Heritage Month:

“This month we honor the achievements of Hispanics in communities across the country,” said Chairwoman McDaniel. “They play critical roles at home, at work, in our communities, and their contributions continue to enrich our society and shape the American Dream. Hispanics are an integral part of the fabric of our nation, and their commitment to family and country represents the very values that make America great.”

“The RNC is committed to engaging with the millions of Hispanic Americans who live in the United States, and we will continue to do so throughout this month and beyond,” said Co-Chair Paduchik.
